Mission Home Ground

100 years of meeting desperate needs

Original needs in 1920: - Effects of World War I – fatherless families, alcohol abuse, homelessness

Depression 1930s – unemployment, poverty

Post World War II - housing for the elderly – Selwyn Village

1980s - Aids epidemic – ACM set up hospice to care for Aids sufferers

2017 – Chronic homelessness, addiction, poverty, food insecurity

Our solution

Mission HomeGround

Mission HomeGround

Mission HomeGround

Project Funding

ACM owns the land valued at \$14.4m debt free

Total Project Costs \$76m (including fit-out,
relocation)

Funding

Government	\$18
ACM Funds	\$ 8
ACM Borrowing	\$10
Foundation North	\$10
Fundraising	\$30

Our goals are:

- to expand and improve our **services**
- to have the Mission's **new HomeGround** ready in our centenary year 2020 to ensure our continuing presence in the City
- to introduce the first **Common Ground** model of supportive housing to New Zealand
- To provide **effective methods and resources** to restore the mental and physical wellbeing of the City's most vulnerable and move them to independence.
